HOE & CO'S PATENT GRINDING SAWS.

THE SUBSCRIBERS manufacture from the best CAST STEEL, CIRCULAR SAWS, from two inches to eight inches in diameter. They are made of the best material, and are ground and finished by machinery designed expressly for the purpose, and are therefore much superior to those ground in the usual manner, as they are strengthened and stiffened by increasing them in thickness regularly from the cutting edge to the center, and consequently do not become heated or buckled, and produce a great saving in timber.

They also manufacture CAST STEEL MILL, PIT and CROSS-CUT SAWS, and BILLET WEBS, of superior quality, all of which they have for sale, or they may be obtained at the principal hardware merchants throughout the United States and Canada.

Publishers of Newspapers who will insert this advertisement three times, with this note, and forward us a paper containing the same, will be paid in printing materials by purchasing four times the amount of their bill for the advertisement. April 23, 1854.

THE BRITISH QUARTERLIES

AND BLACKWOOD'S MAGAZINE.

LEONARD SCOTT & CO., New York, continue to republish the following British Periodicals, viz.

- 1.—The London Quarterly Review, (Conservative.)
- 2.—The Edinburgh Review, (Whig.)
- 3.—The North British Review, (Free Church.)
- 4.—The Westminster Review, (Liberal.)
- 5.—Blackwood's Edinburgh Magazine, (Tory.)

THE present critical state of European affairs will render these publications unusually interesting during the year 1854. They will occupy a middle ground between the hasty-written news items, crude speculation, and flying rumors of the daily Journal, and the ponderous Tombs of the future-historian, written after the interest and excitement of the great political vents of the time shall have passed away. It is to these periodicals that readers must look for the only really intelligible and reliable history of current events, and as such in addition to their well established literary, scientific and theological character, we urge them upon the consideration of the reading public.

Arrangements are in progress for the receipt of the early sheets from the British publishers, by which we shall be able to place all our reprints in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this will involve a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as heretofore, viz.:

Per annum \$3 00
For any one of the four Reviews 50 00
For any three of the four Reviews 7 00
For all four of the Reviews 8 00
For Blackwood's Magazine 3 00
For Blackwood and three Reviews 9 00
For Blackwood and the four Reviews 10 00

Payments to be made in all cases in advance. Money current in the State where issued will be received at par.

CLUBBING.

A discount of twenty-five per cent. from the above prices will be allowed to clubs ordering four or more copies of any one or more of the above works. Thus: Four copies of Blackwood, or of one Review, will be sent to one address for \$9; four copies of the four Reviews for \$30; and so on.

POSTAGE.

In all the principal cities and towns; these works will be delivered, through agents free of postage. When sent by mail, the postage to any part of the United States will be but Twenty-four cents a year for each of the Reviews.

Remittances and communications should always be addressed, post-paid, to the Publishers,

THE ROAD TO HEALTH!

HOLLOWAY'S PILLS.

CURE OF A DISORDERED LIVER AND BAD DIGESTION.

Copy of a letter from Mr. B. W. Kirkus, Chemist, 7, Princes Street, Liverpool, dated 6th June, 1851.

To Professor Holloway,
Sir,—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the violence of the attack was so alarming, and the inflammation so in so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was induced to try your Pills, and she informs me that after the first, and each succeeding dose, she had great relief. She continued to take them, and although she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above, from the severity of the attack and the speedy cure, I think, speaks much in favor of your astonishing Pills. (Signed)

R. W. KIRKUS.

AN EXTRAORDINARY CURE OF RHEUMATIC FEVER, IN VAN DIEMEN'S LAND.

Copy of a Letter inserted in the Hol's Town Courier, of the 1st March, 1851, by Major J. Welch.

Margaret McConnigan, nineteen years of age, residing at New Town, had been suffering from a violent rheumatic fever for upwards of two months, which had entirely deprived her of the use of her limbs; during this period she was under the care of the most eminent medical men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she consented to do, and in an incredible short space of time they effected a perfect cure.

CURE OF A PAIN AND TIGHTNESS IN THE CHEST AND STOMACH OF A PERSON 84 YEARS OF AGE.

From Messrs. Thew & Son, Proprietors of the Even Advertiser, who can vouch for the following statement.—August 24, 1851.

To Professor Holloway,
Sir,—I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me, that I am desirous that others should be made acquainted with their virtues. I am now rendered, by their means, comparatively active, and can take exercise without inconvenience or pain, which I could not do before. (Signed)
